

## GE Energy Solar Modules

GE Energy solar module product line spans a range from 30 to 165 watts. All modules are designed and manufactured to meet international safety and performance certifications. The modules feature heavy duty anodized frames to give strength and convenient mounting access and weather-resistant junction boxes for easy and safe field interconnection. From remote homes to commercial systems, one of these modules is just right for your application.

### Solar Module Products

- GEPV-165 165 Watt Module
- GEPV-110 110 Watt Module
- GEPV-100 100 Watt Module
- GEPV-072 72 Watt Module
- GEPV-050 50 Watt Module
- GEPV-055 55 Watt Building Integrated Module
